Zoo Animals - Word Spiral

Numbered clues appear below the spiral grid. Determine the word that matches the clue, and write that word in the spiral puzzle. The word does not overlap with the next word (marked by the next number) and it must be written in the correct direction (from a lower numbered space to a higher numbered space).

1. crawls on its belly; bite can be deadly
2. animal from Australia
3. has a horn on its nose
4. biggest cat
5. biggest bird in the world
6. looks like a big lizard with sharp teeth
7. lives in the desert
8. looks like a black and white horse
9. has a long neck
10. biggest animal on land
11. you can see its back on water
12. likes to climb trees
13. fastest animal on land
14. black and white animal; found in China
