

**To: Kwon Young-Jin, Mayor of Daegu  
Metropolitan City**

No doubt you have heard the news of Songnam Mayor Lee Jae-Myung's closure of Moran Dog Meat Market. We applaud his actions and urge you to follow suit. We implore you to enact the following into law:

1. Ban all slaughter of dogs for meat purposes within Daegu Metropolitan City
2. Close the dog-meat section of ChilsungMarket
3. Provide assistance to the dog-meat vendors so they may find alternative, sustainable employment
